

THE COUNCIL FOR INCLUSION
IN FINANCIAL SERVICES™

Council for Inclusion in Financial Services, Inc. leads the industry toward sustainable growth by championing data-driven guidance, best practices, and multicultural engagement, with a strong focus on belonging and industry success. As a key differentiator, we illuminate the economic advantages for companies that embrace inclusion and foster financial literacy within communities to drive shared prosperity.

FINSERV NOW!™

Live interviews and opportunities to interact with noted leaders from various sectors of the financial services industry

FinServCONNECT™

Professional networking events to connect with financial services professionals

FINSERV SUMMIT™

Regional summits highlighting the importance of DEI in the workforce and updates of the economic & housing market

CIFS provides a range of packages designed to help you achieve your sales objectives while enhancing visibility and flexibility. As a sponsor, your logo will be prominently showcased on-site and featured in pre-event communications. Explore the advantages of each category, along with the opportunities and pricing options available for every level.

Champion Diversity, Equity and Inclusion Initiatives

Sponsoring CIFS allows your organization to visibly demonstrate its commitment to multiculturalism in the financial services industry.

Expand Your Network and Influence

Gain direct access to a diverse community of leaders, innovators and decision-makers, to strengthen relationships, form strategic partnerships, and increase brand visibility within the industry.

Contribute to Thought Leadership and Education

Contribute to our programs that educate professionals on inclusive practices and promoting long-term industry wide change. Position your organization as a forward thinking advocate for inclusive growth and sustainable business practices.
